Dear Mr. President,

Thank you for all that you are doing for our Republic and for the entire World. I am very distraught at the apparent fraud that has been witnessed during the election process.

We the People demand full accountability and we demand legal and fair elections. Please request a formal audit of the ballots, as well as a forensic review of the digital records (databases, possible internet interconnectivity between the tabulation systems, systems processes, etc....).

We stand with you, Mr. President. May G-D Bless you and may G-D Bless the United States of America.

Respectfully,
